Reference Information:

- **Daniel Abramson**

- Professor Abramson is the mentor of my senior project. He had helped me finalized the senior project's topic and offered me many great resources. I have taken one urban planning and one site planning classes with him, which both of them are small size class and we have met a lot for talking about assignment. I also worked on a research project of *Sichuan Linpan Suburban Landscape Form* in China with him in 2012.
